To Advertisers.—The VERMONT DAILY TRANSCRIPT has the largest circulation in St. Albans and in Franklin County, of any daily paper, and is on that account, if no other, the best medium for advertising.

Local Items.

OUR DAILY.—Those wishing to secure copies of our daily paper can do so at Merrifield's and Baker's bookstores, as well as of carriers, and at the office. Copies of our weekly paper may also be had at these places.

Butter brought in this market to-day, Tuesday, 20th, from 40 to 45 cents.

We have to chronicle two more fires in Rutland, the beginning only, fortunately, of what might have been disastrous conflagrations. On Wednesday night an attempt was made to burn the Central House, and on Saturday evening the barn of H. E. Adams, on Grove Street, was discovered to be on fire. Both were the work of incendiaries. The sooner the citizens organize themselves into a vigilance committee for their own protection, the better, we begin to think.

DR. FASSET.—It gives us pleasure to notice that Dr. Fasset has located himself on Bank Street, the first door east of the Welden House, St. Albans. The Doctor purchased this residence of Mr. Edward A. Smith last spring, paying for the same \$9,500, and has just taken possession. He has nearly finished a new office adjoining, but meantime occupies his office on Main Street.

Mr. Chas. Walker, of Chester, had his hand badly crushed last week by having it caught in the machinery of his cabinet shop.

A six years old boy of I. C. Harroun, of St. Johnsbury, was badly bitten in the face on Wednesday, by a savage dog, owned by a Mr. Hunt who works for Harroun. The boy did nothing to irritate the dog, but it's a way the dog has.

R. Currier and sons, of Troy, recently waylaid a huge bear destroying their corn; after wounding the bear, and he in turn freeing the assailants, a truce for the night was declared. In the morning the bear was quickly dispatched, weighing 270 lbs., and yielding 70 lbs. of tallow.

Echo Lodge of Good Templars, at Charleston, which is less than a year old, has now nearly a hundred members. They were addressed on Tuesday evening of last week by Rev. Phiny H. White.

A young Frenchman, named Alfred Girard, was shot last Thursday night, by Lot Keeler, into whose house—some four miles from Rutland—he was endeavoring to effect an entrance, after being frequently warned away. Keeler was arrested and had his examination Saturday.

Mr. Newton Stone, of Hinesburgh, has commenced a suit against Samuel Webster, fireman of the steamer Oakes Ames, for damages inflicted on his person by Webster, who, it is said, knocked him down at Plattsburgh, on the 7th inst.

STRAWS.—In the smoking car of an upward bound express, on the Hudson River Railroad were five Deputy Sheriffs of Washington, escorting a party of fifty convicts to the Albany Penitentiary. A vote was taken, with the following result:—Seymour fifty-five, Grant one—the one being the conductor of the train, who happened to be passing through the car at the time. Rah for Seymour.

Fiddlesticks, this is nothing like what can be done nearer home. A vote was taken in the Franklin County Jail on the 15th inst; seven prisoners voting with the following result:
For Seymour & Blair 7; For Grant & Colfax 0; Seymour & Blair's maj., 7.

There is now in operation in the United States, 40,000 miles of railroad.

A promising pedestrian in Wisconsin lately attempted to walk 118 miles in 24 hours. He walked 17 miles and gave it up.

Six important railroads are in process of construction in Oregon, two of them connecting with the Pacific railroad.

An old lady near Burlington recently sent for a doctor, but was informed that he had received a call from some distance, and gone off on a train. "Lord help us!" cried the horror-stricken invalid, "off on a train is he? Well, I do not want any of your drinking doctors around me."

A Good Templar's Lodge is about being formed in Bennington, application having been made for a charter.

The Triennial Episcopal Convention.

NEW YORK, Oct. 16.
The general convention of the Protestant Episcopal Church spent the greater part of this 9th day session, in discussing the report of the committee on canons in reference to the support of the Episcopate. By an overwhelming vote the convention decided, before the creation of a new diocese, provisions for the maintenance of the Episcopate satisfactory to the general convention should be provided.

A motion to strike out of the prayer book the words, in the Bishop's commission to presbyters, "whose sins thou shalt forgive them, &c.," was tabled without the deputy being permitted to explain.

The feature of the session to-day, however, was the reference to a committee of the proposals to amend, in canon 11, the title forbidding clergymen of other denominations to officiate in Episcopal Churches.

A determined attempt was made by the low church members to table the resolution, but it failed. This action is important, as it foreshadows the defeat of the Tyng party.

Vermont Medical Society.

At an annual meeting of this society, held in Montpelier, the following persons were elected officers for the year ensuing:

President—S. S. Richmond, M. D. of Woodstock.
Vice-President—J. H. Hamilton, M. D. of Richmond.
Secretary—L. C. Butler, M. D. of Essex.

Treasurer—J. E. Macomber, M. D. of Montpelier.

On motion of Dr. Richmond, the following persons were appointed committee on the subjects named, to report at the next annual meeting:

On Fractures—Dr. S. W. Thayer, of Burlington.
On Uses and Abuses of Speculum—Dr. A. T. Woodward, of Brandon.
On Uses and Abuses of Opium—Dr. C. P. Frost, of Brattleboro.

On new Remedial Agents—Dr. I. C. Butler, of Essex.

The following persons were elected Honorary Members of the Society: Ashbel Woodward, M. D. of Connecticut; Walter Burnham, M. D. of Massachusetts; Hiram Corlis, M. D. of N. Y.; G. P. Conn, M. D. of New Hampshire.

An obituary notice of Dr. A. A. Atwood, of Sharon, was presented by Dr. Phelps of Barnard.

The place of the next annual meeting was fixed at Brandon, on the first Wednesday and Thursday of June, 1869.

A terrible avalanche of rocks recently occurred near the Netch House, on Mt Mansfield. One of them, weighing more than one hundred tons, fell, bounding and crashing its way over and through the forest, a thousand feet or more, cutting the trees off like pipe stems, till it finally lodged within ten rods of the house, and near it, another, some twenty feet or more square, stands up like a tower, while other smaller ones have left their traces in different directions.

Rev. C. S. Swift, of Stockbridge, recently dug 814 bushels of Early Goodrich potatoes, the product of one bushel of seed.

The Geographical centre of Vermont is in Northfield.

The area of the State of Vermont is 90,564 square miles.

The highest peak of the Green Mountains, is Mt. Mansfield, in Underhill, the summit of which is 4389 feet above the level of the sea.

More maple sugar is made in Vermont than in any State, except New York.

There are sixty incorporated Academies in Vermont.

We would call the attention of our readers to L. P. Kimpton's advertisement, which appears in another column. His stock is now complete, and the ladies of St. Albans will find it to their advantage to give him a call.

OUR readers will notice, in another column, the advertisement of L. McD. Smith & Co. Having received a stock of clothing from Boston and New York, they are prepared to furnish the latest styles at the most reasonable prices.

We hope our readers will not forget the entertainment, this evening, by the Swiss Bell Ringers. They are well spoken off by the press generally.

Vermont Bible Society.

The forty-sixth annual meeting of this society was held in Montpelier on Wednesday, October 14, at two o'clock P. M.

The Treasurer reported over, \$9,000 as the receipts of the Society during the year. The agent reported that something had been done during the year in the work of distributing the Scriptures in several counties; and the religious Societies in the State, and especially the Young Men's Christian Association, were invited by resolution to earnestly assist in carrying forward this work.

The officers elected for the year are as follows:

President—Hon. Paul Dillingham.
Corresponding Secretary—Rev. W. H. Gilbert.
Recording Secretary—Rev. A. L. Cooper.

Treasurer—Hon. J. A. Page.
Auditor—H. Y. Barnes, Esq.

Vice Presidents—Addison County, Hon. W. Nash; Bennington County, Rev. J. Jennings; Caledonia County, Rev. Mr. Tasker; Chittenden County, Rev. McK. Petty; Essex County, Rev. S. B. Currier; Franklin County, J. G. Smith; Grand Isle County, Rev. J. T. Ford; Orange County, John Lynde, Esq.; Orleans County, Hon. W. J. Hastings; Rutland County, Rev. Isaac McAnn; Windham County, Rev. Alfred Stevens; Windsor County, Rev. William Sewall.

Directors—Revs. W. S. Hazen, W. H. Lord, P. Merrill, J. Gill, W. J. Kidder, E. I. Carpenter, P. H. White, J. A. Sherburn, A. Hazen, B. F. Ray, J. G. Stimson, Esq., H. Nutt, Esq.

The following resolution was adopted:

Resolved, That we appeal to the Christian people of Vermont, and especially the Young Men's Christian Association, to aid us in putting a copy of the Scriptures into every household in the State, and in promoting attendance upon all those means of grace where its principles are inculcated.

No anniversary exercises were held, chiefly on account of the unavoidable absence of the speaker for the occasion, Rev. J. T. Peck, of Albany, N. Y.

WHAT MAKES YOUR HAIR SO BEAUTIFUL? MRS. S. A. ALLEN'S IMPROVED (new style) HAIR RESTORER OR DRESSING, (in one bottle.) Price One Dollar. Every Druggist sells it.

MUSICAL INSTRUMENTS.—The piano forte has long been the popular home and concert instrument, yet in point of swelling and sustaining the tones is extremely defective. On account of this deficiency, music written in chords, or in a connected style, cannot be satisfactorily executed, as the long notes result in diminished where they should be sustained. The taste for the Organ and orchestral style of music will supersede the present piano compositions. There are no instruments capable of such fine expressions in this style of music as the AMERICAN ORGANS, manufactured by Messrs. S. D. & H. W. Smith, of Boston. Their delicacy and variety in the voicing renders them susceptible of beautiful orchestral effects, by the skillful use of the tremolo and the improved knee swell while the deep manual sub-bass which is added to the new styles, gives the closest resemblance to the pipe organ. —Boston Journal.

IRON IN THE BLOOD.—When the blood is well supplied with its iron element, we feel vigorous and full of animation. Is it an insufficiency of this vital element that makes us feel weak and low spirited; all such, by taking the Peruvian Syrup, (a protoxide of Iron) can supply this deficiency, and will be wonderfully invigorated.

FULTON MARKET.—Just received, a nice lot Dried Beef, Sugar Cured Hams, Bologna Sausage, Sweet Potatoes, Tomatoes, Peas, Peaches, Water Melons and Musk Melons. dtf-94.

Severe pain will not get out of fashion yet for a long time, and so long, people will need a good remedy.—Renne's Pain Killing Magic Oil is just what the people need, to cure headache, rheumatic, neuralgic, and other painful complaints. d&w

Bogus certificates, manufactured to order, are often published in praise of some worthless hair preparation. "Barrett's Vegetable Hair Restorative" does not need to resort to such means, for its merits are too well known and appreciated.—N. Y. Sunday Dispatch. d&w
